Endorsement No. Ref. 2740-A-29, dated the 13th June, 1929, from the Collector, Civil and Military Station, --- Bangalore.

* L.N. 1.

Please see Mr. Russell's letter No. 1979-A-28, dated the 20th April, 1928, in which ^a proposal for the maintenance of a thorough bred bull at the Veterinary Hospital was --- submitted to this office. The cost involved by the proposal is given below:-

<u>Non-recurring.</u>				Rs.
(1) Cost of a bull ...		...	...	300/-
(2) Shed for housing it. ...	...	...	...	200/-

				500/-

<u>Recurring.</u>				Rs.
				P . M.
(1) Feed and up-keep of the bull at Rs. 1-4-0 per day ...	...	...	...	40/-
(2) Attender ...	...	...	...	15/-

				55/- per

mensem or Rs. 660/- per annum.

The above sums have been provided in the current year's Assigned Tract budget estimates.

Mr. Cooke now asks for the sanction of the Resident to the purchase of a bull at a cost of Rs. 700/- instead of Rs. 300/- as originally proposed. He proposes to meet the extra expenditure from savings available in the --- Veterinary Hospital budget estimates. He has not stated anything about the construction of a shed for the bull.

The Pay and Accounts Officer, Bangalore, who was

consulted in the matter, has stated that there is no --- objection

If only India would feed its cattle instead of
half starving them, ~~there would be~~ and get rid of
the scrub bull and inferior cows, the country
would improve out of recognition in a short time -
the human and cattle strain would improve. I cannot
help thinking that more attention given to the
indigenous breeds might, in the end, repay us better
than these crosses. At the same time judging by
what I have seen at the Farms in Bangalore and
Mysore, the Ayrshire is the pick of the cross-breeding
strains out here. And it is, of course, first class
for milking and is hardy, picking up a living where
others will not.

Proposal may be sanctioned. The bull seems to be
in the 1000 gallon class.

Veterinary Hospital - purchase of breeding bull - your Memorandum No.2224-A-29 dated the 11th May 1929.

I beg to enclose herewith letter No.463/CB dated the 8th June 1929 from the Imperial Dairy Expert, Bangalore and to state that the Ongole bull as recommended by him in his letter No.834/CB dated the 27th March 1928 is not available now. The amount sanctioned in the budget is only Rs.300/- which provision was made according to the value of Ongole bull suggested by the Imperial Dairy Expert. Subsequently when the Deputy Director of Agriculture, Livestock, Hosur Cattle Farm wanted to know whether we would purchase the bull, since he had other offers then, it was replied that the maintenance of breeding bull was under consideration and that he might dispose of the bull, if he had other offers, vide your Memorandum No.1911-A-28 dated the 25th April 1928. Now the Imperial Dairy Expert recommends ~~an~~ ~~an~~ Ayrshire bull which would cost Rs.700/- landed in Bangalore and assures that the animal is a thorough bred one. On my personal interview, he expressed that the animal has got good pedigree and worth buying.

Under these circumstances, I request that the Hon'ble the Resident in Mysore, Bangalore may kindly be addressed for sanctioning the extra expenditure of Rs.400/- if possible by re-appropriation, if approved. If this offer is lost, it is not known whether good bulls would be available and what their prices would be at the time of our necessity.

Ref. No.2740-A-29. Enc.1.

Copy with that of the enclosure forwarded to the Secretary to the Resident in Mysore, Bangalore with a request that the sanction of the Hon'ble the Resident may kindly be obtained to purchase a bull for Rs.700/-. The amount sanctioned for this in the current year under Account IV - Other Expenditure heads - I - Agriculture - Veterinary charges - I.2 - Other Charges is Rs.500/-, and not 300/- as stated by the veterinary Superintendent. The excess of Rs.200/- may be re-appropriated from the savings anticipated in the current year out of the Rs.660/- under "Feed and up-keep of the bull".

-----:O:-----

With reference to your letter No. V/489, of the 7th instant
I have consulted Mr. Littlewood concerning this matter and the
Nellore bull which he offered you for Rs.300/- 18 months ago is
no longer available. Mr. Littlewood further intimates that no
other suitable Nellore bull is available from the Hosur Cattle
Farm. Under these circumstances and as the cow owners of Banga-
lore desire to breed cows for milk production only I would sug-
gest that you should procure a pure bred pedigreed Ayrshire bull.
I know of such an animal ready for work with first class pedigree
bred by St. Andrew's Colonial Homes, Kalimpong, from the highest
class of imported pedigreed stock. This bull is just over 2 years
and is strong and well-grown. His dam gave 8200 lbs. of milk --
first lactation and the dam of his sire gave 10320 lbs. milk in 48
weeks. This animal would cost you Rs.700/- landed in Bangalore
and if you so desire I can make arrangements to have the animal
brought here.

(N)

With reference to your proceedings No.6020 dated the 13th July 1929 sanctioning the purchase of an Ayrshire bull at a cost not exceeding Rs.700/- for the Veterinary Hospital, I have the honor to observe as follows:-

An appropriation of Rs.500/- only has been made on the above account in the budget estimates for 1929-30 under 'Account IV- Other expenditure heads'. I Agriculture - I.2 other charges' This sum of Rs.500/- is made up of.

- 1) Rs.300- cost of bull and
- 2) Rs.200 shed for housing it.

But in the proceedings quoted above a sum of Rs.700/- has been sanctioned for the purchase of the bull alone.

It is presumed that additional funds will be re-appropriated to this head later on in the year if necessary. If so, para 2 of the proceedings may kindly be amended suitably.

I have the honor to be,
Sir,
Your most obedient servant,

Letter No.609 of 1929 dated the 30th July 1929, from the Imperial Dairy Expert, Bangalore, to the Collector, Civil and - Military Station, Bangalore.

-----:0:-----

With reference to my conversation with the Superintendent of your office this morning regarding the charge of Rs.740/- for the Ayrshire bull supplied to the Superintendent Tasker Veterinary Hospital, C. & M. Station, Bangalore, I have the honour to state that in making up the original estimate for this bull I calculated that one of two bulls would be supplied and that the one which would be given to the Tasker Veterinary Hospital would be the cheaper of the two. Both these bulls were bred at the St. Andrew's Colonial Homes, Kalimpong (Bengal) and as will be seen from the enclosed photographs and pedigrees the price of one bull is Rs.450/- F.O.R. Kalimpong and price of the other is Rs.500/- F.O.R. Kalimpong. The cost of sending a man to Kalipong and bringing the two animals here is Rs.480/- or Rs.240/- per bull; so that it will be seen that the cost of the cheaper bull would have been Rs.690/- in Bangalore. When the bulls arrived here and were shown to the Superintendent of the Tasker Veterinary Hospital he selected the more expensive bull on the ground that the cheaper one was not sufficiently grown to be immediately used; in this of course he was quite correct but the better bull naturally cost the higher price of Rs.740/-.. I entirely agreed with the selection made by the Superintendent, Tasker Veterinary Hospital and strongly advised him to select the better and more expensive bull in place of the cheaper one originally offered to him. This selection is the cause of the extra demand of Rs.40/- over that originally quoted.

Please return the enclosed bills photographs and pedigrees of bulls.

SIR,

Veterinary Hospital - Breeding Bull - Death of.

Q. N. 10.

The Veterinary Hospital breeding bull, which was purchased in July 1929 for Rs.740/-, died on the 29th May 1931. The Veterinary Superintendent reported to me on the 20th April 1931 that it was suffering from 'Foot and Mouth Disease', which is prevalent in some parts of the Station. He was sending me reports regarding its progress. There were signs of improvement till the 26th May 1931, but on the next day the animal showed symptoms of 'Typhlitis' and it was being treated by the Veterinary Superintendent, in consultation with Major R.W. Simpson, Superintendent, Civil Veterinary Department, Government of Mysore.

I forward herewith a copy of memo No. V/592, dated the 30th May 1931, from the Veterinary Superintendent, regarding the purchase of another bull. In view of the present financial position, the question of purchasing another breeding bull may be postponed. The services of the bull attendant were dispensed with with effect

from the 31st instant. I am asking the Veterinary
Superintendent to suspend the ^{resolving} ~~moving~~ from this
and the up-~~side~~ of the hall, for 100.
